The logo is thoughtfully crafted using natural elements and balanced proportions to reflect growth, prosperity, and sustainability.

DESIGN APPROACH

The logo is designed with a hand-drawn approach to keep it organic, natural, and rooted in the essence of agriculture and sustainability.

PRIMARY COLORS

- #1E683D: Growth, Nature, Trust
- #F2B705: Prosperity, Energy, Harvest

LOTUS (GROWTH & PURITY)

The lotus at the center represents growth, purity, and new beginnings. It is the core of our identity.

CROPS (PROSPERITY)

The crops on both sides signify abundance, agricultural heritage, and nourishment.

FLOW (UNITY & MOVEMENT)

The flowing lines represent unity, progress, and the continuous journey towards a sustainable future.

TYPOGRAPHY (STRENGTH & STABILITY)

The bold, clean typography reflects strength, reliability, and our commitment to excellence.
